

CYCLING WITHOUT AGE NORTH SHORE

20th May 2025

Our 2025 Season Begins!

We have been busy getting ready for our 2025 season! Trishaw maintenance, onboarding new pilots, refreshing volunteers on our bases, trishaws and routes. It's also been exciting to reconnect with our 22 partner organizations to schedule rides for them through to October!

In addition to serving our partner organizations, we continue to offer **free** trishaw rides for mobility challenged residents living in their own homes and their caregivers.

We are also offering **free** rides on the following dates and locations:

Thursday 17th to Saturday 19th July – Seymour Demonstration Forest
 Thursday 31st July to Saturday 2nd August – Bridgman Park
 Thursday 14th to Saturday 16th August – Seymour Demonstration Forest
 Thursday 28th to Saturday 30th August – Bridgman Park

Do you know someone who would love a ride through scenic forest trails?
 Book a ride with us at a date and time convenient to you by calling:

Silver Harbour Seniors' Activity Centre at 604.980.2474.

Our Season Begins!

West Vancouver
Foundation Grant

Welcoming New
Partner - LVCC

Thank You - Amica
West Vancouver

Introducing our new
Sponsor - BSP

West Vancouver Foundation Community Grant

We are very grateful to the West Vancouver Foundation for awarding us a Community Grant in the amount of \$8,500. This grant supports the purchase of a second Van Raam VeloPlus wheelchair trishaw.

We took delivery of our first VeloPlus - named Joy - last summer. After training a small cohort of pilots on Joy, we were able to introduce it to four care residences. By the end of 2024 we had provided rides to over 40 passengers, confirming our belief that the VeloPlus is capable of offering forest rides to a large group of passengers who are not able to board our regular two-seater trishaw.

Many of our partner organizations which have already used Joy have asked us to bring it together with our regular two-seater trishaws on our scheduled ride days. As we have four bases, passengers needing Joy are currently restricted to only one ride per month. Having a second wheelchair-carrying trishaw opens up the opportunity for us to take many more passengers on forest trail rides.

Please consider making a donation to help us secure our second VeloPlus this season. *Scan this QR code to make your donation today!*

Welcoming our New Partner Lynn Valley Care Centre!

We are delighted to welcome our newest partner organization, Lynn Valley Care Centre (LVCC)! Offering almost 200 intermediate and long-term care beds, LVCC has been in our community for over 60 years. We are thrilled to be working with Stewart Parnell, Activity & Volunteer Coordinator, to take residents on rides at nearby Kirkstone and Eastview Parks! Welcome LVCC!

Sponsorship by Amica West Vancouver

We are very grateful that Amica West Vancouver has renewed its agreement with Cycling Without Age North Shore to provide a \$3,000 annual sponsorship to help cover our operational costs. Thank you to the team at Amica for your ongoing collaboration and support!

Welcoming New Sponsor Bicycle Sports Pacific!

We are thrilled to introduce Bicycle Sports Pacific (BSP) as our newest sponsor. BSP has agreed to support us with free servicing of our trishaws!

Thank you to Darshana and Kamlesh Chouhan, and their wonderful team at BSP North Vancouver location (1359 Main Street). Be sure to check out their amazing store!
